### COMPETITION PREPARATION WORKSHOP: Levels 3b-8 (Invitation Only)

**June 15 - July 27 (Saturdays from 11:30am-2:00pm - except 4th of July week)**

Our Competition Prep Workshop is where the preparation begins for competitions such as Universal Ballet Competition, Youth America Grand Prix, and Denver Ballet Guild. You will have the opportunity to try multiple variations before the fall season to explore which ones may be best for your growth but are also flattering.

Ballet competitions are an incredible way for you to develop your dance education through masterclasses, scholarship auditions, and judged performances. Colorado Ballet Society believes that providing coaching and training for these competitions is an important experience to help support our pre-professional students on their journey to becoming professional dancers or attending university dance programs. This is an excellent opportunity to gain performance experience in a solo role as well as duets, trios, or ensembles.

This one-of-a-kind experience will give you the confidence and tools you need to set you up for success at the competitions, as well as receive personal corrections on technique and artistry, and build your independent work ethic.

Please note that even if you are invited to participate in the Competition Preparation Workshop this summer, it does not guarantee you will receive an invitation for the Competition Ensemble during the 2024-2025 Season.

*\*Variations that are taught and worked on over the summer, may NOT be the same variation(s) that are assigned to a dancer for competitions during the fall semester.*

**Tuition:** \$350 for the 6 weeks

## WORSHIP DANCE WORKSHOP (Levels: 1-8) July 15 – 19

*Dancing is a creative, artistic, worship expression  
that stirs the heart and draws us deeper into His presence.*

### Finding Freedom!

Experience the joy and power of worship through dance! Our theme, "Finding Freedom," explores the book of *Ephesians 3:12*. CBS faculty will guide the dancers to seek God's direction for their lives and develop their potential in dance through technique and inspirational training. Together we will explore how to approach our faith in God with freedom and confidence. Multiple levels of instruction are offered for **ages 5 and up**. Each day begins with Creative Worship and Bible study, which allows dancers to use their artistic expression to experience His presence through dance. The day continues with ballet, choreography, and contemporary resulting in up to 4 hours of instruction each day.
